

# Roadhouse Blues

## Deep Purple

Keep your eyes on the road, your hands upon the wheel

Keep your eyes on the road, your hands upon the wheel

Yeah, we're going to the roadhouse

We're gonna have a real

Good timeBack at the roadhouse, some bungalows

Yeah, back at the roadhouse they got some bungalows

And that's for the people

Who like to go down slow

Let it roll, baby, roll

Let it roll, baby, roll

Let it roll, baby, roll

Let it roll, all night longAshen lady, ashen lady

Give up your vows, said you got give up your vows

You got to save our city

You got to save our city

Right now, baby, right nowI woke up this morning, I got myself a beer

I woke up this morning, I got myself a beer

The future's uncertain, end is always near

Let it roll, baby, roll

Let it roll, baby, roll

Let it roll, baby, roll

All night longLet it roll, roll, roll

Let it roll, baby, roll
