Criticize the Truth

Evidence One

Time to face what's going on
Time to face the hurting truth
it's so easy to close your eyes
It's so easy to lie to youDon't you see, the times they changed
Think againLive your dreams again
Time to Criticize The Truth
Keep from what might have been
Time to Criticize The TruthHard to tell the wrong from right
Not to fall for the other sideLife can cheat you so many times
But you gotta stay strong, strong insideDon't you see, what might have changed
Don't be afraidLive your dreams again
Time to Criticize The Truth
Keep from what might have been
Time to Criticize The Truth
Live your dreams again
Time to Criticize The Truth
Keep from what might have been
Time to Criticize The Truth
Live your dreams again
Time to Criticize The Truth
Keep from what might have been
Time to Criticize The Truth
Start a new dream Start a new dream
