

Criticize the Truth

Evidence One

Time to face what's going on
Time to face the hurting truth
it's so easy to close your eyes
It's so easy to lie to you Don't you see, the times they changed
Think again Live your dreams again
Time to Criticize The Truth
Keep from what might have been
Time to Criticize The Truth Hard to tell the wrong from right
Not to fall for the other side Life can cheat you so many times
But you gotta stay strong, strong inside Don't you see, what might have changed
Don't be afraid Live your dreams again
Time to Criticize The Truth
Keep from what might have been
Time to Criticize The Truth
Live your dreams again
Time to Criticize The Truth
Keep from what might have been
Time to Criticize The Truth
Live your dreams again
Time to Criticize The Truth
Keep from what might have been
Time to Criticize The Truth
Live your dreams again
Time to Criticize The Truth
Keep from what might have been
Time to Criticize The Truth
Start a new dream Start a new dream
