Mid-Life Krysis

Travis

Memories fill your harbor
History to be made
Jealousy in the cupboard
You with me until the graveMid-life krysis, you invited everyone
You can't wake, you can't wake from this nightmareEveryday is like the movies
Third world war on the rise
Take it in the city
Making love to get highMid-life krysis, you invited everyone
You can't wake, you can't wake from this nightmareI waste my time, I waste my
Don't waste my time, don't waste my
I waste my time, I waste my
Don't waste my time, don't waste myLittle Jane, say you're in love with me
Say it yourself
Maybe then you'll have some children
Maybe you ain't have oneMid-life krysis, you invited everyone
You can't wake, you can't wake from this nightmare
You invited everyone
You can't wake, you can't wake from this nightmare
