

# Constant Waiting (feat. Mark Lanegan)

## The Jeffrey Lee Pierce Sessions Project

Under constant waiting  
and all the wealth that you've known  
she's standing there,  
in her apron. You're standing in the road.  
And she went off to the showgirl  
that piece of paper in her hand  
she had come to tell the governor,  
to turn loose of her man.  
When you wake up in the morning,  
you hear that ding dong ring,  
and all the words hit the table  
you see the same damn thing. If you ever go to Houston,  
you'd better watch your behind  
you'd better not stumble  
and you'd better not fight  
for the police will arrest you  
and then they'll carry you on down  
you can bet your bottom dollar  
that you're penitentiary bound.  
Under constant waiting  
and all the wealth that you've known  
is standing there in her apron  
(And you're standing in the damn road)
