

# A Salty Salute

## Guided by Voices

Disarm the settlers  
The new drunk drivers  
Have hoisted the flag  
We are with you in your anger  
Proud brothers do not fret  
The bus will get you there yet  
To carry us to the lake  
The club is open  
Yeah, the club is open  
Hey, the club is open  
A-come on, come on, the club is open  
C'mon, c'mon, the club is open  
C'mon, c'mon, c'mon, the club is open
