# Eavesdrop

## Biota

I donâ€™t want to talk right now
I just want your arms wrapped around
Me in this moment
Before it runs out

Oh donâ€™t say that itâ€™s over
Oh no say it ainâ€™t so
Letâ€™s let the stars watch
Let them stare
Let the wind eavesdrop
I donâ€™t care
For all that weâ€™ve got, donâ€™t let go
Just hold me

I canâ€™t pull you closer than this
Itâ€™s just you and the moon on my skin
Oh who says it ever has to end
Oh donâ€™t say that itâ€™s over
Oh no say it ainâ€™t so

Letâ€™s let the stars watch
Let them stare
Let the wind eavesdrop
I donâ€™t care
For all that weâ€™ve got, donâ€™t let go
Just hold me

Letâ€™s let the stars watch
Let them stare
Let the wind eavesdrop
I donâ€™t care
For all that weâ€™ve got, donâ€™t let go

Just hold me
Just hold me
Just hold me
Just hold me
Just hold me
