

All About Lovin' You

Bon Jovi

Looking at the pages of my life
Faded memories of me and you
Mistakes you know I've made a few
I took some shots and fell from time to time
Baby, you were there to pull me through
We've been around the block a time or two
I'm gonna lay it on the line
Ask me how we've come this far
The answer's written in my eyes Every time I look at you, baby, I see something new
That takes me higher than before and makes me want you more
I don't wanna sleep tonight, dreamin's just a waste of time
When I look at what my life's been comin' to
I'm all about lovin' you I've lived, I've loved, I've lost, I've paid some dues, baby
We've been to hell and back again
Through it all you're always my best friend
For all the words I didn't say and all the things I didn't do
Tonight I'm gonna find a way Every time I look at you, baby, I see something new
That takes me higher than before and makes me want you more
I don't wanna sleep tonight, dreamin's just a waste of time
When I look at what my life's been comin' to
I'm all about lovin' you You can take this world away
You're everything I am
Just read the lines upon my face
I'm all about lovin' you Every time I look at you, baby, I see something new
That takes me higher than before and makes me want you more
I don't wanna sleep tonight, dreamin's just a waste of time
When I look at what my life's been comin' to
I'm all about lovin' you All about lovin' you
