

# Life Is A Party

Jim Jones

Hey, hey, hey, hey hey  
Hey, hey, hey, hey hey  
Party time, woo! Gimme the beat  
Give it up, wave your hands from side to side  
Here we go, woo!  
Some people live for the weekend  
Seems like such a waste  
Counting down till the fun begins  
What 'bout the other days?  
There's Monday night  
And Tuesday night  
Wednesday, Thursday  
Why wait 365 days?  
(Life is a party)  
Let's get it started, get it started  
Get it started tonight  
(Life is a party)  
Let's get excited, you're invited  
There's a party tonight  
Hey, hey, hey, hey hey  
Hey, hey, hey, hey hey  
Imagine everyone in the world  
Out in the street tonight  
Everybody's gonna rock all day  
Just 9 to 5 party time  
Down in Brazil! In Tokyo! Mombi!  
Giro! Puerto Rico! Everybody, let's go  
(Life is a party)  
Let's get it started, get it started  
Get it started tonight  
(Life is a party)  
Let's get excited, you're invited  
There's a party tonight  
(Life is a party)  
C'mon woo! Oh yeah, oh yeah  
Oh yeah, woo! Here we go  
(Life is a party)  
Let's get excited, you're invited  
There's a party tonight

Uh, gimme the beat, uh, gimme, gimme the beat  
Gimme the beat all around the world  
Every 24-7 gonna rock you, girl  
Tell you life is a party 'cause I wanna get to it  
Everybody in the world, let's do it  
Let's do it, let's do it, uh, c'mon, c'mon  
Down in Brazil! In Tokyo! Mombi!  
Start today, why wait 365 days?  
(Life is a party)  
Let's get it started, get it started  
Get it started tonight  
(Life is a party)  
Life is a party, baby  
Oh yeah, oh yeah, oh yeah  
(Life is a party)  
Let's get it started, get it started  
Get it started tonight  
(Life is a party)  
Let's get excited, you're invited  
There's a party tonight  
(Life is a party)  
Let's get it started, get it started  
Get it started tonight  
(Life is a party)  
Let's get excited, you're invited  
There's a party tonight
