

Special

Nick Carter

She makes me wanna fly
Both feet on the ground
Takes me to this place
I don't wanna come down It gives me something fresh
Someone that is real
Separate from the rest
Makes me wanna feel I got the perfect invitation
To a world that's full with smiles
With our spirits free and wild
But it's a bittersweet sensation
'Cause I'll never have her heart No matter how I try
She's always on my mind
At night, everyday
And with every breath I take on the way She'll make a grown man cry
With one look deep into her eyes
Outrageous, make you crazy
It's amazing She's special, she's special
So special
She's special, she's special
She's special
Yeah, yeah Footprints on the sand
Hear the ocean crash
Underneath the moon
Walking hand in hand Shadow by my side
Wishing you were mine
Keep you in my dreams
Locked deep inside I got the perfect invitation
To a world that's full with smiles
With our spirits free and wild
But it's a bittersweet sensation
'Cause I'll never have her heart No matter how I try
She's always on my mind
At night, everyday
And with every breath I take on the way She'll make a grown man cry
With one look deep into her eyes
Outrageous, make you crazy
It's amazing, she's special Oh, I swore to you, girl, I will follow
I know some day you'll want me
When you're not so cold and lonely

I'll be the whisper in your ear
If ever you should call me I'll be here No matter how I try
She's always on my mind
At night, everyday
And with every breath I take on the way She'll make a grown man cry
With one look deep into her eyes
Outrageous, make you crazy
It's amazing She's special, she's special
So special
She's special, she's special
She's special
Yeah, yeah She's special, she's special
So special
She's special, she's special
