What up Uncle Ju Ju?
You know I'm five years old now right
Yeah, I know man you gettin' big
Tell me about it what's good
It's crazy man, you know my teacher
Had the nerve to ask me for your autograph
What? She asked for my autograph in the class
I had to tell her man I'm here to learn
This ain't the time or the place for that
You crazy man, say word
Word
You a trip 'lil nigga you know that
What you tell her after that
I said a dip set bitch
A, a, a, come on man you can't be doin' it
Like that at five man, you got to get another decade
With you at least
You know that you the only thing they talk about in my school
Word
Not cause you that nigga
Why
But because I'm that nigga
You all I talk about
That's what's up, that's what's up
Some of the kids can hardly talk
Yeah, word
There fore you gotta make it happen
Know what I'm talkin' 'bout
Yeah, yeah I know what you talkin' about nigga I know
Word Uncle Ju Ju
Yo man, come on man you gotta stop
With that Uncle Ju Ju shit man know what I mean
That's what I call you, that's what I'ma keep callin' you
And let everybody else call you Juelz aight

Other than that I just wanna tell you I love you
Aw I love you too man
Wo, wo, wo, don't be gettin' all mushy on me man
It's time to do it big, now let's go
Now that I've got your attention
Now that I've got your attention
Now that I've got your attention
Now that I've got your attention
Now that I've got your attention
I'm what the games been missing
What you about to witness is something
That you haven't been witnessin'
I'm what the games been missing
