

# Cindy, oh Cindy

[Elfi Graf](#)

Cindy, oh Cindy  
Cindy don't let me down  
    Write me a letter soon  
    And I'll be homeward bound  
I joined the Navy to see the world  
    But nowhere could I find  
    A girl as sweet as Cindy  
    The girl I left behind  
I've searched the wide world over  
    Can't get her out of my mind  
    Cindy, oh Cindy  
    Cindy don't let me down  
    Write me a letter soon  
    And I'll be homeward bound  
    I see her face in every wave  
    Her lips kiss every breeze  
Her loving arms reach out to me  
    Through calm and stormy sea

At night I face the lonely day  
    Caressed by memories  
    Cindy, oh Cindy  
    Cindy don't let me down  
    Write me a letter soon  
    And I'll be homeward bound  
I know my Cindy's waiting for me  
    As I walk the decks alone  
    Her loving arms reach out to me  
    Soon I'll be heading home  
Then my sailing days will be over  
    No more will I roam  
    Cindy, oh Cindy  
    Girl, oh don't you let me down  
    Write me a letter, soon  
    And I'll be homeward bound  
    Oh, homeward bound,  
Well, just to see my Cindy, oh Cindy, Cindy, oh Cindy (fade)
