

In Memory

Black Sabbath

No one told me the way I should feel
You left an aching heart
Lost and lonely, the feeling goes on
You were the one friend I had
You gave me so much love

Now the tears remind me you're goneIt still haunts me there's a silence
Where you used to be
It still haunts me
Just an empty space in history
It still haunts me
But life must go on, and onIt's still haunting me
It's still haunting me
Haunting me
Haunting me
It's still haunting me
