Funky Butt

Charles Kynard

I thought I heard somebody say
Funky butt, stinky butt, take it away
'cause I don't like it no how.

You see that girl with the red dress on
She got the funky butt, stinky butt, sure as you're born.
'cause I don't like it no how.

I thought I heard somebody say
...take it away, take it away
'cause I don't like it no how.

I...wanna bolt and shout
Open the window let the funk go out
'cause I don't like it no how.
