

These Are Days

10,000 Maniacs

These are the days, ohhThese are days, you'll remember
Never before and never since, I promise
Will the whole world be warm as this and as you feel itYou'll know it's true that you are blessed and lucky
It's true that you are touched by something
That will grow and bloom in youThese are days, you'll remember
When may is rushing over you with desire
To be part of the miracles you see in every hourYou'll know it's true that you are blessed and lucky
It's true that you are touched by something
That will grow and bloom in youThese are daysThese are the days you might fill with laughter until' you break
These days you might feel a shaft of light make it's way across your face
When you do you'll know how it was meant to beSee the signs and know their meaning
It's true, you'll know how it was meant to be
Hear the signs and know they're speaking to you, to you
