Hell Wit Ya

P!nk

What is this?
I heard you got a new miss
We just broke up so you know I'm pissed
They say you're faithful
I don't believe that shh oh no no

Oh I tried to act like I didn't care
But it doesn't seem fair
You're so good to her
Oh I tried to pretend I don't see
All the things that you do
You couldn't do for me

I was in love wit' cha
But the hell wit' cha
Cause you didn't wanna treat me right
I was in love wit' cha
But the hell wit' cha
Cause you didn't wanna treat me right
Now you got another girl in yo life
Giving her love all day all night
I was in love wit' cha but the hell wit' cha
Cause you didn't wanna treat me right

So I hear
That I met the wench before
Yeah I remember that time we went to Pizza Hut
And you told me she was your cousin
I hear you learned to open doors
You're such a damn gentlemen

What does she do to you?
To make you give her everything
Like you never did for me
Call it jealousy
But it's killing me
Cause all that time
When you were mine
You didn't treat me right

I was in love wit' cha
But the hell wit' cha
'Cause you didn't wanna treat me right
I was in love wit' cha
But the hell wit' cha
'Cause you didn't wanna treat me right
Now you got another girl in yo life
Giving her love all day all night
I was in love wit' cha but the hell wit' cha
'Cause you didn't wanna treat me right
