

Romeo

Chairlift

[Intro]

On your marks

Get set! [Verse 1]

Step up, lover

Big talker, take a number

I've got all day

To wipe the smile off your face

If I win, you're done with

But if you win, you win my heart

Isn't that what you want... [Chorus]

Hey Romeo

Put on your running shoes

I'm ready to go

Hey Romeo

Put on your running shoes

I'm ready to go [Verse 2]

The only way he

Can catch up to me is to cheat

There is no veto

What's done is done once I am beat

So roll me, race me

With all your tricks and all your heart

I'm not wishing you luck... [Chorus]

Hey Romeo

Put on your running shoes

I'm ready to go

Hey Romeo

Put on your running shoes

I'm ready to go [Bridge]

On your mark

I'm gonna run 'til you give me a

Reason to stop

To fall on my knees

To need love

On your mark

I'm gonna run 'til you give me a

Reason to stop

To fall on my knees

To, to fall on my... [Chorus]

Hey Romeo
Put on your running shoes
I'm ready to go
Hey Romeo
Put on your running shoes
I'm ready to go
