Keziah Jones - My kinda girl
My Kinda girl paints a picture of the world of all colours

She goes "Woo woo woo, woo woo, woo woo"

My kind of baby knows the kind of sin I'm in when there's no words

She goes "Woo woo woo, woo woo, woo woo" chorus:

She's mine (my kind of girl), oh mine (my kind of girl)

I guess I want the whole world to know (wo wo wo wo wo)

My lost (my kind of girl) and found (my kind of girl)

I guess I want the whole world to know (wo wo wo wo wo)

My kind of woman, she designs up thousand smiles for every one

(wo wo wo wo wo wo)

She goes "Woo woo woo, woo woo, woo woo"

My pretty baby (yeah) gave the gift of love to me and thanks and praises

(wo wo wo wo wo wo)

She goes "Woo woo woo, woo woo, woo woo" chorus
She's my (she's my) kinda girl (kinda girl)

She's my (she's my) kinda girl (kinda girl)

You're my (you're my) kinda girl (kinda girl)

Oh my (oh my) kinda girl (kinda girl)
She's the one (yeah), 'gives a lot to me (wo wo wo wo wo)

I'll be the sun (yeah), she's the moon to me

Oh... Yeah

A lot to me chorus

(My kinda girl), (My kind a girl)

I guess I want the whole world to know (wo wo wo wo wo)

My lost (my kind of girl) and found (my kind of girl)

(My kinda girl), (My kind a girl)

I guess I want the whole world to know (wo wo wo wo wo)
