Paranoid Android

The Arrogant Sons Of Bitches

Please could you stop the noise? I'm trying to get some rest
From all the unborn chicken voices in my headWhat's that?
(I may be paranoid, but not an android)
What's that?
(I may be paranoid, but not an android)When I am king you will be first against the wall
With your opinion which is of no consequence at allWhat's that?
(I may be paranoid, but no android)
What's that?
(I may be paranoid, but no android)Ambition makes you look pretty ugly
Kicking and squealing, Gucci little piggyYou don't remember, you don't remember
Why don't you remember my name?
Off with his head, man, off with his head, man
Why don't you remember my name? I guess he doesRain down, rain down
Come on, rain down on me
From a great height
From a great height, heightRain down, rain down
Come on, rain down on me
From a great height
From a great height, height(Rain down)
That's it, sir, you're leaving
The crackle of pigskin
(Rain down, come on, rain down on me)
The dust and the screaming
The yuppies networkingThe panic, the vomit
(From a great height)
The panic, the vomit
(From a great height)
God loves his children
God loves his children, yeah!
