Yi qi xie wo men de jie ju Fairy tale (Michael Wong) I've forgotten how long I haven't heard you

Tell your favorite story to me

I've thought so long, I'm starting to be confused

Is it because I did something wrong again? Crying, you tell me fairy tales are all lies

I couldn't possibly be your prince

Maybe you don't understand: ever since you said you loved me

The stars in my sky all lit up I'm willing to (want to) (will) become

The angel you love in that fairy tale

Open my two hands, they'll become wings to protect you

You must believe, believe we are like that fairy tale story

We'll live happily ever after\* We'll write our "ever after" together\*
