

Violet Hill

Coldplay

Was a long and dark December
From the rooftops I remember
 There was snow
 White snowClearly I remember
 From the windows they were watching
 While we froze down belowWhen the future's architected
 By a carnival of idiots on show
 You'd better lie low[Chorus]
 If you love me
 Won't you let me know?Was a long and dark December
 When the banks became cathedrals
 And the fox
 Became GodPriests clutched onto bibles
 Hollowed out to fit their rifles
 And the cross was held aloftBury me in armour
 When I'm dead and hit the ground
 My nerves are poles that unfold[Chorus]I don't want to be a soldier
 With the captain of some sinking ship
 Would stow, far belowSo if you love me
 Why'd you let me go?I took my love down to violet hill
 There we sat in snow
 All the time she was silent and still[Chorus: x2]
