Grave Violators

Autopsy

Overturning tombstones
Marble cracked and crushed
Fucking on the top of a crypt
Smoking angel dustDrawing blood, spill it forth
Seep into the ground
Stomping through the babies' graves
Pummel every moundLittle coffins dug up
Tiny corpses emptied out
Impaled on the fences
Spikes rammed through
Rotted pumpkin heads[D.C.]
[E.C.]"We pulled some more corpses;
bigger ones this time. We'd lay
'em down on a grave one at a time
and take a big huge piece of a
headstone we broke....and smash the
head like a rotted melon"Graveyard desecrated
Rotted mess behind us
Broken bodies scattered
Amongst broken stone and glass
