

# No Way to Deny It

## Prong

News of senseless aggression

Journalistic sensation, quick reasons to mention

Paraded so soulfully

Stated so righteously

One vision to convey

Nothing more to sayThe cause, no way to deny it

Ignore it it won't disappear

No way to deny it

The wrongs, no way to deny them

Ignore them they won't disappear

No way to deny itNews eating the nation

Editorialization (quick reasons to mention)

Concluded too easily

Repeated in history

Someone's got to pay

Nothing more to sayNews of constant deception

Censored reception

Quick reasons to mention

Sound-bites, all too clear

Left rights!

The end is near!

Someone's got to pay

Nothing more to say
