Left Behind

Chris Palser

dont be late
you know that's something
that she hates
don't be right
that just starts another fight
there's no rule
some nites we are just so cruel
now I see
only wish for what you needall these places that i go
and these faces i know
where its safe
in a way
its like home
All the times we're so unkind
losin my mind
no way
i came all this way
just to get left behinddon't know what's mine
seems I've sold my piece of mind
wasn't free
I guess it wasn't meant to be
spend my time
in places full of sound and rhyme
now I see
There was no escape for meall these places that i go
and these faces i know
where its safe
in a way
its like home
All the times we're so unkind
losin my mind
no way
i came all this way
just to get left behind
