It's Yours Lyrics

[Intro 1]
Can you give our miracle-worker a hand tonight?
Aw, come on, listen
I said the miracle-worker
I said the miracle-worker
You oughta open up your mouth and give God glory
When it went left, God reeled it back in

You oughta open up your mouth

[Intro 2]
I came to declare that every pain
That has been bothering your body
Everybody you know
That has been battling with sickness
Tonight, healing is being released
Can you high five three people?
And tell 'em if you want it, you can sure 'nough have it
If you need it, you can sure 'nough have it
Y'all ain't playing...
I said, high five three people and tell 'em
If you want it, you can have it
If you need it, you can have it
You missing your time to shout
If you want it, you can have it, yeah
We're gonna praise through this thing

[Verse]
