

Yes, I'm Your Angel (feat. Cibo Matto)

Yoko Ono

Yes, I'm your angel
I'll give you everything
In my magic power
So make a wish and I'll let it come true for you You're my fairy
You give me everything
I ever wanted from life
Have I made a wish and is that why I have you? We believe in pumpkins that turn into princesses
And frogs that turn into princes
We believe in moons that smile to us
When we hurry home before the midnight strikes Yes, I'm so pretty
You're so dizzy
And were so happy everyday
Let's make a wish and let it come true for us I'm in your pocket
You're in my locket
And were so lucky in every way
We make a wish and let it come true for us We believe in houses built in the sky
And love that lifts us high
We believe in the sun that looks over our shoulders
And brings our shadows together Yes, our hearts are one
Our bodies, too
And it's so good, every time
We make a wish and let it come true for you, too Happy birthday, my love
I'm your angel
I'll give you everything in my magic power
So make a wish and I'll let it come true for you
