

To All the Girls

Aaron Carter

Na na, na na na

Na na, na na na

Na na, na na na

Let me break it down I remember sunny days chillin' on the beach and catchin' rays

Shell toed shoes the girls would wear pink bikinis everywhere

Listenin' to CDs after dark outcast blastin' Rosa Parks

There's so much that we've been through

There's still so much more to do Growing up can be so strange

But some things will never change

To all the girls that had my back

I'm with you when it's like that To all the girls that sang along with me

To all the girls where I wanna be

To all the girls from here across the sea

I wanna thank you for being good to me To all the girls that I can't wait to see

To all the girls that held it down with me

To all the girls that gave me memories

I wanna thank you for being good to me Na na, na na na, na na, na na na

(Being good to me)

Na na, na na na

I want to thank you for being good to me Sometimes I sit and reminisce of all the hot girls that I miss

Tank tops with the low cut jeans all the guys know what I mean

Hip hop style and retro rock all the girls that's on my block

You've been down with me since one and we've only just begun Growing up can be so strange

But some things will never change

To all the girls that had my back

I'm with you when it's like that To all the girls that sang along with me

To all the girls where I wanna be

To all the girls from here across the sea

I wanna thank you for being good to me To all the girls that I can't wait to see

To all the girls that held it down with me

To all the girls that gave me memories

I wanna thank you for being good to me Na na, na na na, na na, na na na

(Being good to me)

Na na, na na na

I want to thank you for being good to me Come on, jump jump

Come on, jump jump So let me hit you with one more

Baby I'll see you out on tour

And we can do it all again, until then To all the girls that sang along with me

(Come on)

To all the girls where I wanna be
(Jump, jump)
To all the girls from here across the sea
I wanna thank you for being good to me To all the girls that I can't wait to see
(Jump, jump)
To all the girls that held it down with me
(Come on)
To all the girls that gave me memories
(Oh yeah)
I wanna thank you for being good to me
(Yeah, yeah) To all the girls that sang along with me
(To all my girls)
To all the girls where I wanna be
(To all my girls)
To all the girls from here across the sea
I wanna thank you for being good to me To all the girls that I can't wait to see
To all the girls that held it down with me
(Yeah)
To all the girls that gave me memories
I wanna thank you for being good to me To all the girls that sang along with me
(To all my girls)
To all the girls where I wanna be
(To all my girls)
To all the girls from here across the sea
I wanna thank you for being good to me To all the girls that sang along with me
(Oh yeah)
To all the girls where I wanna be
(Yeah yeah)
To all the girls from here across the sea
I wanna thank you for being good to me
