

Superhero

Simon Curtis

Stand up
Everybody look alive
Say "Come on, come on, come on"
We're gonna get it now
Hands up
If you're ready for the fight
Say "Come on, come on, come on"
We're gonna win now

I don't need you to believe in me
I know how to change my destiny
Sit down
About to rewrite our history
Rewrite our history
Rewrite our history

We can change the whole world
Gonna take it over
Gonna start it over
Don't you know what we could be?

A new beginning
Fight until we're winning
Tell me that you're in it
Don't you wanna be

A superhero
Superhero
Superhero
Don't you wanna be

A superhero
Superhero
Superhero

Anybody could be
Anybody could be
Anybody could be

Rip it off

Show the symbol on your chest
Say "Come on" and show the world who you really are
It's not enough to be better than the rest
Gotta take it to the top and make yourself a superstar

You don't need them to believe in you
Get your mission on lock and see it through
You got all the power you need in you
Power you need in you
Power you need in you

We can change the whole world
Gonna take it over
Gonna start it over
Don't you know what we could be?

A new beginning
Fight until we're winning
Tell me that you're in it
Don't you wanna be

A superhero
Superhero
Superhero
Don't you wanna be

A superhero
Superhero
Superhero

Anybody could be

We can change the whole world
Gonna take it over
Gonna start it over
Don't you know what we could be?

A new beginning
Fight until we're winning
Tell me that you're in it
Don't you wanna be

A superhero
Superhero
Superhero
Don't you wanna be

A superhero
Superhero
Superhero

Anybody could be

We can change the whole world
Gonna take it over
Gonna start it over
Don't you know what we could be?
A new beginning
Fight until we're winning
Tell me that you're in it
Don't you wanna be

A superhero
Superhero
Superhero
Don't you wanna be

A superhero
Superhero
Superhero

Anybody could be
