

Bad Blood

Europe

Hey, always lookin' for a good time
She came on just like a hurricane
Man, she was far too hot to handle
Like fightin' fire with gasoline All I needed was compassion
I'd been out there on my own too long, yeah
But oh, she hungered for my lovin'
That first bite chilled me to the bone Bad blood
Runnin' through my veins
Bad, bad blood
Is drivin' me insane Hey, I've become a wild one
Well, I'm not quite the man I used to be
Oh, just like livin', on livin' a knife edge
That woman put a spell on me Bad blood
Runnin' through my veins
Bad, bad blood
Drivin' me insane
Bad blood Oh, oh, oh, bad blood
Oh, oh, oh, bad blood
Oh, oh, oh, bad blood
Oh, oh, oh, bad, bad
Bad, bad, blood, yeah Bad, bad, blood, yeah
Drivin' me insane
Bad blood Always lookin' for a good time
Well I come on just like a hurricane
Yeah and now I'm far too hot to handle
Like fightin' fire with gasoline, one more Bad blood
Runnin' through my veins
Bad, bad blood
Drivin' me insane Bad, bad, bad, bad, bad blood
(Bad, bad blood)
Bad, bad, bad, bad, bad blood
(Bad, bad blood) Bad, bad, bad, bad, bad blood
(Bad, bad blood)
Bad, bad, bad, bad, bad blood
Bad, bad blood
