

# Only God Can Stop Her Now

[Josh Kelley](#)

1-2-3 She didn't even cry  
Just walked out of the front door  
Looked me in the eye like a stranger on the front porch  
And I just wanna die  
If only He could see me now I know He'd send down all His angels cause I need them on my side  
This time I know she's gone too far  
But something in her way that's gonna change her made up mind  
Not a thing on earth could slow her down  
Only God can stop her now I ain't gonna lie and say I didn't see it coming  
She just wasn't right  
She was up to something  
Secrets in the night  
If only He could see her now I know He'd send down all His angels cause I need them on my side  
This time I know she's gone too far  
But something in her way that's gonna change her made up mind  
Not a thing on earth could slow her down  
Only God can stop her now I tried to pull her back  
I tried to love her like mad  
I tried to tell her that it's gonna kill you, woah  
Woah  
If only He could see us now I know He'd send down all His angels cause I need them on my side  
This time I know she's gone too far  
But something in her way that's gonna change her made up mind  
Not a thing on earth could slow her down  
Only God can stop her now, woah  
Only God can stop her now, yeah
