

# Brick by Brick

## Arctic Monkeys

I want to build you up (brick by brick)  
I want to break you down (brick by brick)  
I'm going to reconstruct (brick by brick)  
I want to feel you love Brick by brick (ah)  
Brick by brick (ah) I want to steal your soul (brick by brick)  
I want to rock 'n' roll (brick by brick)  
I want to rock and roll (brick by brick)  
I want to rock and roll Brick by brick (ah)  
Brick by brick (ah) I want a brick by brick (brick by brick)  
I wanna blow wide berth (brick by brick)  
I wanna melt this soul (brick by brick)  
I wanna brick by brick, by brick, by Brick by brick (ah)  
Brick by brick (ah)  
Brick by brick (ah)  
Brick by brick (ah)
