

Don't Fear the Reaper

Apollo 440

All our times have come
Here but now theyre gone
Seasons dont fear the reaper
Nor do the wind, the sun or the rain
We can be like they areCome on baby
Dont fear the reaper, baby, take my hand
Dont fear the reaper, well be able to fly
Dont fear the reaper, baby, Im your manLa, la, la, la, la
La, la, la, la, laValentine is done
Here but now theyre gone
Romeo and Juliet are together in eternity
Romeo and JulietForty thousand men and women everyday
Like Romeo and Juliet
Forty thousand men and women everyday
Redefine happiness
Another forty thousand coming everyday
We can be like they areCome on baby
Dont fear the reaper, baby, take my hand
Dont fear the reaper, well be able to fly
Dont fear the reaper, baby, Im your manLa, la, la, la, la
La, la, la, la, laLove of two is one
Here but now theyre gone
Came the last night of sadness
s clear she couldnt go onThe door was open and the wind appeared
The candles blew and then disappeared
The curtains flew and then he appeared
Saying, dont be afraidCome on baby
And she had no fear
And she ran to him
And she started to fly
nd looked backward and said goodbyeShe had become like they are
She had taken his hand
She had become like they are
Come on babyDont fear the reaper
Dont fear the reaper
Dont fear the reaper
Dont fear the reaperDont fear the reaper
Dont fear the reaper
Dont fear the reaperLa, la, la, la, la

La, la, la, la, la

La, la, la, la, la

La, la, la, la, la
