Ain't That a Bitch

Tom Keifer

i've been pushed and i've been shoved
i've been everything but loved by youand i've been roped and i've been tied
everything but crucified by youbut you can't break a wild horse baby
you've been hiding with your spurs digging in
no you can't break a wild horse baby
ain't that a bitchyeah i've been black and i've been blue
beaten down a time or two by you
wounded by your jagged lips
left in my own blood and piss by you
but you can't break a wild horse baby
you've been riding with your spurs digging in
no you can't break a wild horse baby
ain't that a bitchso give me all your pain
set another trap
i see the sugar in your hand
and the whip behind your back
but you can't break a wild horse baby
you've been hiding with your spurs digging in
no you can't break a wild horse baby
aint that a bitchyou're never gonna break me no
no, no, no, no, noyou can't break a wild horse baby
