## PnB Rock

[Intro]

There she go, there she go

There she go, oh yeah[Hook]

Every time she walk by, every time she walk by

Every time she walk by, I be like there she go

Every time she walk by, I can see in her eyes

Shawty be feeling my vibes, I be like there she go

Every time she walk by, every time she walk by

Every time she walk by, I be like there she go

Every time she walk by, I can see in her eyes

Shawty feeling my vibes, I be like there she go[Verse 1]

I be like there she go

She can't stand these hoes

She don't even know, she don't even know she the only one I want

She don't know, she got me chasing

When I see her my heart be racing

She don't know, I'm so impatient

So put your number in my phone

I hit you up when I get home

Cause I lately I been on the roll

But you can help me count this dough

You can meet me at the West End

Shawty you can bring your best friend

Ain't no need for all this textin'

Because shawty I get the message

We can kick it I'll be there any second

You can meet me at the West End

Shawty you can bring your best friend

Ain't no need for all this sexin'

We can kick it I'll be there any second[Hook]

Every time she walk by, every time she walk by

Every time she walk by, I be like there she go

Every time she walk by, I can see in her eyes

Shawty be feeling my vibes, I be like there she go

Every time she walk by, every time she walk by

Every time she walk by, I be like there she go

Every time she walk by, I can see in her eyes

Shawty feeling my vibes, I be like there she go[Verse 2: YFN Lucci]
