

# Infernal Desire

## Malevolent Creation

Animal remains, mutilations  
Organs removed, homicide of humansJugular veins, torn wide open  
Blood is drawn, High priest obeysFreedom of religion  
One law abused and raped  
Carcass filled maggots  
Stalking innocent life  
Become a believer  
Your soul, for them to makePagan followers, looked down upon  
Cast forth in robes, aloud they prayAll that is holy, now far gone  
Victim beheaded, sacrifice madeCarcass filled...  
...soul for them to make
