Another Day

Jimmie's Chicken Shack

Sun invaded this morning
As I cultured a pearl in my bed
Hope I can lift my arms, no I can't raise my head
The silence is silenced so sweetlyAs I rise with my dug-out in hand
And after your courthouse defeats me
Know I've got to get high with my bandHope I can make it just one more day
Been three long weeks since my lips touched your face
If I'm not willing, have I lost the game?
If I cannot run the raceI'll just wait for another day another day
Another day, another day
Another day, another dayFeel like I've had enough of what you've said
And I won't bother the rock that you're under
Got freedom for myself for another day
Another day, another day
Another dayAnother day, another day
Another day, another dayAnother day I'm happy to see
Another day I might as well just be me on another day
Another day without
