

# Crying, Waiting, Hoping

**Karen Elson**

Crying, crying, waiting, waiting  
Hoping, hoping you'll come back  
I just can't seem to get you off my mind  
Crying, crying, waiting, waiting  
Hoping, hoping you'll come back  
You're the one I love  
I think about you all the time  
Crying, crying, doo d-doo doo  
Tears keep a-falling all night long  
Waiting, waiting, doo d-doo doo  
It seems so useless I know it's wrong  
To keep on crying, crying, waiting, waiting  
Hoping, hoping you'll come back baby  
Someday soon things will change  
And you'll be mine  
Crying, crying, doo d-doo doo  
Tears keep a-falling all night long  
Waiting, waiting, doo d-doo doo  
It seems so useless I know it's wrong  
To keep on crying, crying, waiting, waiting  
Hoping, hoping you'll come back  
Maybe someday soon things will change  
And you'll be mine  
Crying, crying  
Waiting, waiting  
Hoping, hoping
