

# It Girl (7th Heaven Club Mix)

Jason Derulo

I've been looking under rocks and breaking locks  
Just tryna find ya  
I've been like a manic insomniac  
Five steps behind ya  
Tell them other girls, they can hit the exit  
Check please  
Cause I finally found the girl of my dreams  
Much more than a Grammy award  
That's how much you mean to me You could be my it girl  
Baby you're the shit girl  
Lovin' you could be a crime  
Crazy how we fit girl  
This is it girl  
Give me twenty five to life  
I just wanna rock all night long  
And put you in the middle of my spotlight  
You could be my it girl  
You're my biggest hit girl Let me play it loud  
Let me play it loud like, oh oh oh oh  
Let me play it loud  
Let me play it loud like, oh oh oh oh  
Let me play it loud You can't help but turn them heads  
Knockin' them dead  
Dropping like flies around you  
If I get your body close not letting go  
Hoping you're about to  
Tell them other guys they can lose your number  
You're done!  
They don't get another shot cause you're love drunk  
Like a TV show playing reruns  
Every chance I get  
I'ma turn you on You could be my it girl  
Baby you're the shit girl  
Lovin' you could be a crime  
Crazy how we fit girl  
This is it girl  
Give me twenty five to life  
I just wanna rock all night long  
And put you in the middle of my spotlight

You could be my it girl  
You're my biggest hit girlLet me play it loud  
Let me play it loud like oh oh oh oh  
Let me play it loud  
Let me play it loud like oh oh oh oh  
Let me play it loudCan't seem to stop you from, running, running  
Through my, through my mind, mind  
Just keep it coming, coming  
Til I make you mine, mine  
You've got that something, something  
I wanna be with girl  
You're my greatest hit girl  
Just say this is it girl  
Hey baby  
Don't you know you're my it girlYou could be my it girl  
Baby you're the shit girl  
Lovin' you could be a crime  
Crazy how we fit girl  
This is it girl  
Give me twenty five to life  
I just wanna rock all night long  
And put you in the middle of my spotlight  
You could be my it girl  
You're my biggest hit girlLet me play it loud  
Let me play it loud like, oh oh oh oh  
Let me play it loud  
Let me play it loud like, oh oh oh oh  
Let me play it loud  
Let me hear you sing it like, oh oh oh oh  
Everybody in the crowd let me hear you sing it like  
This is it girl
