(Foreplay started four minutes twenty seconds ago)  
(Foreplay started four minutes twenty seconds ago)[Pre-Chorus: ]  
The foreplay started four minutes, twenty seconds ago  
Right when you hit my blunt  
Before you hop that lil body in my rari  
Just know that's that shit I'm on[Chorus]  
Freaks only  
If you rollin' wit' me ah yeah  
Freaks only  
That's the policy[Verse 1: Mike]  
You know you bad girl  
But so is every chick around me  
Wherever I'm at girl  
Don't mean to sound cocky but it's poppin'  
You do the math girl (yeah, yeah)  
Chicks over here, chicks everywhere  
Snuck into my room, now they all up in my bed  
Tryna' get it poppin[pre-Choruse]
