

# Everything

## Lifehouse

Find me here, speak to me  
I want to feel You, I need to hear You  
You are the light that's leading me  
To the place where I find peace again You are the strength that keeps me walking  
You are the hope that keeps me trusting  
You are the light to my soul  
You are my purpose, You're everything How can I stand here with You and not be moved by You?  
Would You tell me, how could it be any better than this? You calm the storms, and You give me rest  
You hold me in Your hands, You won't let me fall  
You steal my heart, and You take my breath away  
Would You take me in, take me deeper now How can I stand here with You and not be moved by You?  
Would You tell me, how could it be any better than this?  
And how can I stand here with You and not be moved by You?  
Would You tell me, how could it be any better than this? 'Cause You're all I want, You're all I need  
You're everything, everything  
You're all I want, You're all I need  
You're everything, everything You're all I want, You're all I need  
You're everything, everything  
You're all I want, You're all I need  
You're everything, everything And how can I stand here with You and not be moved by You?  
Would You tell me, how could it be any better than this?  
How can I stand here with You and not be moved by You?  
Would You tell me, how could it be any better than this? How can I stand here with You and not be moved by  
You?  
Would You tell me, how could it be any better than this?  
Would You tell me, how could it be any better than this?
