

I'm a Worried Man

Willie Nelson

Worried man
Papa is a worried man
Papa is a worried man The place I go to draw my pay
Closed the door on me today
Told me just to stay away
And don't come back again Ah, I told my Mama, "Baby, don't you cry
I'll get a job before the day go by"
I don't know where and that is why
I'm a worried man. (Worried, worried)
Worried man, a worried man
(Worried)
I'm a very worried man Hungry babies don't understand
Their Papa is a worried man
Papa is a worried man Play it, Willie, yeah There is no way that I can see
That I can feed my family
(That's sad)
I don't own a money tree
An' I don't own no land Now listen, I've got muscle and I've got brains
I don't mind the sun and the rain
I gotta make a little change
As I'm a worried, worried, worried man, ooh (Worried, worried)
Worried man, a worried man
(Worried, worried man)
I'm a very worried man Hungry babies don't understand
Their Papa is a worried man
Their Papa is a worried man Take it, take it, that's it
That's it, that's it, that's it
Okay, do it, go Willie Worried man, worried man
Papa is a worried man
Worried man, worried man
