

# Is That All You've Got for Me

## The Donnas

Oh, you've got lights they burn out for you  
And you've got eyes, cocaine, white and blue  
And now you know is wine and good friends  
'Cause luck like yours, it never ends Or did you think it'd last forever? Is that it?  
Is that all you got for me?  
Just a copy of a copy  
I won't let you have it for free, free, free A pick me up and then you're off again  
The crowd's there to see if you'll sink or swim  
They laugh and cry when you crash and burn  
But they'll be back for your big return Or did you think it'd last forever? Is that it?  
Is that all you got for me?  
Just a copy of a copy  
I won't let you have it for free Watch the smoke fade, you finally got your space  
Wander the streets, but no one knows your face  
Your senior slump, it was a flop  
So give it up down to the top Is that it?  
Is that it? Is that it?  
Is that all you got for me?  
Just a copy of a copy  
I won't let you have it for free Is that it?  
Is that all you got for me?  
Just a copy of a copy  
I won't let you have it for free, yeah
