

# Everlasting Love

Howard Jones

He wasn't looking for a pretty face  
She wasn't searching for the latest style  
He didn't want someone who walked straight off the TV  
She needed someone with an interior smile  
She wasn't looking for a cuddle in the back seat  
He wasn't looking for a five minute thrill  
She wasn't thinking of tomorrow or of next week  
This vacancy he meant to permanently fill  
I need an everlasting love  
I need a friend and a lover divine  
An everlasting precious love  
Wait for it, wait for it, give it some time  
Back in the world of disposable emotion  
In the climate of temporary dreams  
He wasn't looking for a notch on his bedpost  
A love to push, pull and burst at the seams  
I need an everlasting love  
I need a friend and a lover divine  
An everlasting precious love  
Wait for it, wait for it, give it some time  
Is this love worth waiting for?  
Something special, something pure  
I need an everlasting love  
I need a friend and a lover divine  
An everlasting precious love  
Wait for it, wait for it, give it some time  
Is this love worth waiting for?  
Bitterness will die for sure  
Something special, something pure  
Is this love worth waiting for?  
Is this love worth waiting for?  
Bitterness will die for sure  
Something special, something pure  
Is this love worth waiting for?  
I need an everlasting love  
I need a friend and a lover divine  
An everlasting precious love  
Wait for it, wait for it, give it some time  
I need an everlasting love  
I need a friend and a lover divine  
An everlasting precious love  
Wait for it, wait for it, give it some time  
I need an everlasting love  
I need a friend and a lover divine  
An everlasting precious love  
Wait for it, wait for it, give it some time  
I need an everlasting love  
I need a friend and a lover divine  
An everlasting precious love  
Wait for it, wait for it, give it some time
