Shake That (Jesse Rose Re-edit)

Dansson & Marlon Hoffstadt

Shake that baby, drivin' me crazy
get up, get up
Shake that baby, drivin' me crazy
get up, get up
Shake that baby, drivin' me crazy
get up, get upI'm on my way to the liquor store 2x
With E-V-E and my nigga Roast
Got too much game to be slippin' on
I let you know if you didn't know
It's 4: 00, club is lettin' out
Met in the club now we playin' house
I'm drunk as hell so I'm showing out
Put on my glove then I knocked it outI know, you came to have a fuckin' party 2x
I know it's about time to get shit started
You know, that I'm a bad man
Nobody can do this like I canShake that baby, drivin' me crazy
get up, get up
Shake that baby, drivin' me crazy
get up, get up
Shake that baby, drivin' me crazy
get up, get up
Shake that baby, drivin' me crazy
get up, get upI'm on my way to the liquor store

get up, get up
