

Gene Ciampi

Twin Sister

Magic heart, in a man
Understands the big screen
Can he sing?
Can he dance?
Can he steal every scene? If you like Gene Ciampi
You will love his movies! He's everybody's dream If you like Gene Ciampi
You will love his movies! Magic heart of romance
Hero of all suspense
Skin of bronze
Heart of gold
Perfect smile
Shining soul If you like Gene Ciampi
You will love his movies! Gene is number 1, the star of the year
He's everybody's dream If you like Gene Ciampi
You will love his movies! He's the legend, the man, the hero
He will be in everybody's dreams
