Little White Bull (Remastered)

Tommy Steele

Once apon a time there was a little white bull
Very sad because he was a little white bull
Little white bull
All the black bulls called him a coward
Just cos he was white.
Only black bulls go to the bull ring
Only black bulls fight
When he asked his mama if the little white bull
Little white bull
Ever had a chance of turning black
His mama said...
You silly little bull, you're a pretty little bull.
You're my little bull. So please dont ask me why little bull.
You just ain't black.
But this did not satisfie that little white bull
Little white bull
He was a eception to that little white rule
Little white rule
Everyday alone in the meadows
He'd find this to charge
Till one day he really imagined that his horns were large
Bold as brass right then and then the little white bull
Little white bull
Quickly found the nearest road to town!
And people said
What a funny little bull
What a fluffy little bull
Hes our little bull.
He marched along a proud little bull
And hit the town
It was he day of the bull fight
All the town were there
Waiting to see the famous Matador
Trumpet the sound of the fan fair
Tun ta la tun ta!
Out from the throats of the crowd came a mighty Roar!
Into the ring to the shout of a great olay
Olay!
Came the parade all prepared for a mighty pray

Matadors and Picidors and Toridors!
And who do think aswell?
Trotting right behind them came little white bull
Little white bull
How they laughed out loud to see the Little white bull
Little white bull
Trotting round the giant arena with his head up high
Till the Matador in the center caught his tiny eye
Charging right up to him went the little white bull
Little white bull
Charging twice and charging once again
The Matador cried Turret little bull
Hes not a little bull, your a brave little bull.
Your gonna be a great little bull.
The best in spain!
Then the crowd all shouted turret little bull.
Your not a little bull, your a brave little bull.
Your gonna be a great little bull.
The best is spain!
So if you got a little bull
Thats a white little bull
Its quite possible
That it might be the bull
Thats the best
In
Spain
