

Five Knuckle Shuffle

Anvil

Hand to the gland and I don't care
There ain't no secret I won't bare
Hey!
All I wanna do is beat my meat
Shakin' steak, what a treat
Stroke it, stroke it really hard
I wanna watch it blow a yard
Palm sister date what you got
Wank your willie, hit the spot5 knuckle shuffle in the shower with the soap
Chokin' the chicken ain't no joke
5 knuckle shuffle in the shower with the soap
5 knuckle shuffle I got nothin' to pokeRattle my snake most every night
I wanna woman to do it right
Stroke it, stroke it just for fun
Stroke it, stroke it till I cum
All I wanna do is shake my stick
Pullin' my pecker really does the trick5 knuckle shuffle in the shower with the soap
Chokin' the chicken ain't no joke
5 knuckle shuffle in the shower with the soap
All I wanna do is give it a stroke
5 knuckle shuffle in the shower with the soap
5 knuckle shuffle I got nothin' to poke
Nothin' to poke
That's right!Don't you worry when you spank the chimp
It don't mean that you're a wimp
Stroke it, stroke it all night long
Stroke it, stroke it ding my dong
Palm sister date what you got
Shine your shilaylly, don't get caught5 knuckle shuffle in the shower with the soap
Chokin' the chicken ain't no joke
5 knuckle shuffle in the shower with the soap
All I wanna do is give it a stroke
5 knuckle shuffle in the shower with the soap
Chokin' the chicken ain't no joke
5 knuckle shuffle in the shower with the soap
5 knuckle shuffle I got nothin' to poke
