

# If I Lose Myself

Daniel Jang

I stared up at the sun  
Thought of all the people, places and things I've loved  
I stand up just to see  
Of all the faces,  
you are the one next to me  
You can feel the light start to tremble  
Washing what you know out to sea  
You can see your life out of the window, tonight...  
If I lose myself tonight  
It'll be by your side  
If I lose myself tonight...  
wooh, wooh, wooh!  
If I lose myself tonight  
It'll be you and I...  
Lose myself tonight  
whooooooooo...

\*Instrumental\*

I woke up with the sun  
Thought of all the people, places and things I've loved  
I woke up just to see  
Of all the faces  
you are the one next to me  
You can feel the light start to tremble  
Washing what you know out to sea

You can see your life out of the window, tonight...  
If I lose myself tonight  
It'll be by your side  
If I lose myself tonight...  
wooh, wooh, wooh!  
If I lose myself tonight  
It'll be you and I...  
Lose myself tonight  
whooooooooo...

\*Instrumental\*

Take us down and we keep trying  
40 000 feet keep flying...  
Take us down and we keep trying  
40 000 feet keep flying...

Take us down and we keep trying  
40 000 feet keep flying...  
Take us down and we keep trying  
40 000 feet keep flying...  
Take us down and we keep trying  
40 000 feet keep flying...  
Lose myself  
If I lose myself tonight..  
Whoooooooooooo  
whoooooooo,whoooo,  
whoooooooo
