

# Good Morning, Heartache

Nina Simone, Billie Holiday, Ella Fitzgerald

Good morning heartache you old gloomy sight  
Good morning heartache thought we said goodbye last night  
I turned and tossed 'til it seemed you had gone  
But here you are with the dawn  
Wish I'd forget you, but you're here to stay  
It seems I met you when my love went away  
Now everyday I start by saying to you  
Good Morning heartache, what's new?  
Stop haunting me now  
Can't shake you nohow, just leave me alone  
I've got those Monday blues straight through Sunday blues

Good morning heartache here we go again  
Good morning heartache you're the one who knew me when  
Might as well get used to you hanging around  
Good morning heartache sit down  
Stop haunting me now  
Can't shake you nohow just leave me alone  
I've got those Monday blues straight through Sunday blues  
Good morning heartache here we go again  
Good morning heartache you're the one who knew me when  
Might as well get used to you hanging around  
Good morning heartache sit down
