

# 23 (Demo Version)

## Blonde Redhead

23 23 seconds, all things we love will die  
23 magic, if you can change your life Your tainted heart, my tainted love, repent now  
How many times ?  
As long as you live, how many times ?  
The world will go around He was a friend of mine, he was a son of god ... he was a son of a gun 23 seconds, in  
you I see a chance  
23 magic, if you change the name of love Your crazy heart, my crazy love, repent now  
How many times ? As long as you wish  
How many times ? The world will go around  
How many times ? As long as you want  
How many times ? The world will go around He was a friend of mine, he was a son of a gun ... he was a son of  
god 23
